

# Understanding metadata management in longitudinal studies - Group Session

Jon Johnson & Hayley Mills

13 September 2019

CLOSER, UCL Institute of Education

# Group Sessions

## Objective

Create something to turn into an action plan to follow either locally or at future events, or co-ordinate efforts through specific funders or relevant organisations we are involved in

**What are things where some co-ordinated effort might make a difference by own resources, your organisation, funders**

- Technical – software/tools
- Skills – training
- Capacity – resourcing
- Institutional barriers
- Other

# Plenary

- Report back – prioritise list
- What have we missed?
  
- Next steps
